

2° GRAND CRU

CLASSÉ EN 1855

Château Lamothe Guignard

Sauternes

SITUATION

2th growth in 1855, Château Lamothe Guignard is situated on the highest point of Sauternes, overlooking Ciron valley. This affluent of Garonne River plays a key role in the over-ripening of the grapes : It causes morning mists to form in the late summer and early autumn, thereby encouraging the gradual growth of the Botrytis Cinerea fungus.
