

Vino **Espumoso**  
**VEGA MEDIEN**  
**ALCOHOL-FREE**

**60** % Macabeo **40** % Sauvignon Blanc

This alcohol-free wine is the result of a careful selection of Macabeo and Sauvignon Blanc grapes, grown in our highest-altitude vineyards. This privileged location provides us with the necessary acidity to achieve the fresh and vibrant touch we seek. The de-alcoholization process takes place at our winery in Requena, using the latest technology to evaporate the alcohol at low temperatures, allowing us to preserve all the aromas and structure of the wine. This results in a unique product, full of freshness, with excellent acidity and the fruity nuances that characterize our selection.

Technical data

Alcohol content: 0,0 %  
Residual sugar 65 g/L

Tasting Notes

It is a cava with a pale yellow color and greenish hues, bright, with fine bubbles. On the nose, it reveals intense aromas of apple with white floral notes. On the palate, it is fresh, with very well-integrated acidity, leaving a long and elegant floral aftertaste.

Pairing

It is perfect for pairing with all types of fish, seafood, and appetizers. It also stands out alongside sushi dishes, such as makis and sashimi, enhancing the flavors with its freshness and acidity.

It is recommended to be consumed at 6 – 8 °C.
