

Babylon's Peak winery, situated in the Paardeberg mountain, is privately owned by the Basson family who has passed down the tradition, passion and art of winemaking over four generations.

Our focus is 'Rhone'-varietals as well as Chenin Blanc and Pinotage. The age of our vines, unique terroir, granite soils and dryland conditions contribute to our wine style. Utmost care is taken to preserve the character and terroir of the Paardeberg in our wines.
