## 2021 • OLD VINE ZINFANDEL

---

The quintessential Lodi Zin, Boneshaker is unapologetically big and attractively approachable. The wine's rich, intense profile comes from gnarled, 50+ year old vines that produce fewer clusters and small berries with highly concentrated flavor and character that offer intense dark fruit, vanilla and spice in the glass.

**ABOUT THE WINE:** Our 2021 Zinfandel is a full-bodied red wine from Lodi, one of California's premier growing regions for the varietal. Showing brick red color in the glass, this wine opens with aromas of cocoa and crushed blackberry. Mouth-filling layers of blueberry and blackberry dusted with accents of black pepper, spice and vanilla bean lead to a silky, decadent finish.

**WINEMAKEING NOTES:** Boneshaker Zinfandel is sourced from the Lodi appellation, which offers the grapes warmer temperatures to develop the super ripe fruit flavor characteristics on the vine. For this wine, we destemmed the grapes into stainless steel tanks for fermentation. We pumped over the wine several times a day to extract the color and aromatics. After two weeks, we pressed the wine off the skins before aging in stainless steel tanks with oak.
