

The TIKI is a hand crafted treasure (taonga) of New Zealand which, when gifted, bestows good fortune and love on others. We craft our wines with that same spirit in mind. Our Single Vineyard wines are made from hand selected parcels of fruit from our vineyard and are an expression of time, our place and our people.

VINEYARD REGION

100% Waipara Valley, North Canterbury

VINTAGE CONDITIONS

The 2022 Vintage in Waipara, North Canterbury was notable for the changeable weather, as was the case throughout several of the wine regions around New Zealand. On par with previous years, we did see a higher than average number of small rain events towards the end of the growing season. Our Pinot Gris this year is rich in the traditional flavours this Tiki Single Vineyard wine has become known for.

WINEMAKING

The fruit was harvested at maximum flavour as determined by frequent tasting in the vineyard. It was then very gently pressed to avoid harsh phenolic extraction and the juice allowed to cold settle. The clear juice was fermented at low temperatures using yeasts renowned for their ability to enhance Pinot Gris aromas and to add complexity by the addition of fermentation esters. A small amount of residual sugar was left in the wine to complement the palate weight and structure.
