Residual Sugar:	2,85 g/l
PH:	3,6
Dry Extract:	32,30 g/l

Production

Only the best fruit goes into La Puerta Alta our estate grown and bottled wines. The grapes are hand-picked from drip irrigated vines which are hand pruned and canopy-managed for optimum flavor ripeness.

Once the wines are produced the best reds are carefully selected for the Alta range and kept in separate tanks until both primary and secondary fermentation is complete. Then they are blended with our Reserva wines aged in French and American oak barrels for 3 months.

Wine Description

Dark ruby red in color, this wine shows ripe fruit characteristics of plum, blackberry and mulberry with hints of mocha and vanillin oak. The palate is silky smooth with juicy berry fruit balanced with soft and rounded tannins for an elegant long finish.
