

The TIKI is a hand crafted treasure (taonga) of New Zealand which, when gifted, bestows good fortune and love on others. We craft our wines with that same spirit in mind. Our Single Vineyard wines are made from hand selected parcels of fruit from our vineyard and are an expression of time, our place and our people.

VINTAGE CONDITIONS

The 2021 vintage in Waipara, North Canterbury was warm and dry - good growing conditions. Heat summation was well up on average while rainfall was 50% less than normal over the last three months before harvest. The lower rainfall meant that disease pressure was not present, allowing the winemaker to be patient and instruct the picking of the fruit in absolute pristine

condition and when tasted at their premium. The effects of this were enhanced fruit flavours creating a wine of great balance.

WINEMAKING

The fruit was harvested in excellent condition and gently handled in the cellar using traditional burgundian methods and aged for 12 months in French oak barriques.
