

OAK VALLEY ESTATE

PLACE OF DISCOVERY

HIGH ON THE SOUTHERN SLOPES OF THE GROENLAND MOUNTAINS LIES AN ISOLATED VINEYARD EXPOSED TO THE ELEMENTS OF OUR COLD CLIMATE. WIND WHISTLES THROUGH THE NEIGHBOURING FYNBOS, THE ONLY SOUND THAT BREAKS THIS EERIE SILENCE AT ALTITUDE. OUR PINOT NOIR TAKES COMFORT IN AUSTERITY. IT THRIVES ON HARDSHIP. AND IT LIVES ALONE IN THE SOUNDS OF SILENCE.

TASTING NOTES

The nose reveals dried florals, fresh red fruits of strawberry and cranberry and inviting savoury earthiness. The palate is delicate but has freshness and depth with prominent flavours of pomegranate and strawberry.

WINEMAKING PHILOSOPHY

Pinot Noir must be grown on the knife edge between ripe and under ripe. The key factor is temperature that the cool Elgin Valley provides. In the cellar Pinot is treated like a lady. Gentle maceration and interaction with the skins and allowing her to ferment at cool temperatures and mature beautifully in French oak barrels.
